### THE ONLY THING WE KNOW

Beyond peradventure of doubt is that, if there be a Heaven and a Hell, each of us is going to one of them. YOU may well reflect that, if, in the Hereafter, we are to have knowledge of what is happening here, it will be Hell for the man who left the wife and kiddies exposed to drudgery and the orphan asylum.

**CHESTERFIELD**

To illustrate, we last week received more than one hundred cases of the celebrated E. J. & Co. and E. T. Wright & Co's SHOES, amounting to thousands of dollars, and would you believe us, we had hardly time to open the goods, when a low price torpedo struck them broadside. The explosion actually scattered these goods for more than twenty miles all around.

Even this week we have received and placed on sale thousands of dollars worth of very dependable merchandise, and believe us once more, our low price torpedo struck this entire lot, and she scattered to the four winds. Greater explosions may be expected FRIDAY and SATURDAY and every man and his wife and kiddies are invited to be present.
